

Partner in Land with just 45L and Own Luxurious 3BHK Flat*

worth 2 Cr in less than 7 Yrs
In Navi Mumbai International Airport Area

The surest and hassle free way to earn profit in real estate is being land owner in a project land !

The Gold Crest Project : a Gold mine !

Township of 3.5 acres in NAINA TPS 5 of CIDCO area of Navi MUMBAI international airport

Location on intersection of 150 feet six lane internal IDP road that offshoots from Mumbai trans-harbour link road MTHL and Pune Mumbai expressway.

250 to 300 flats township with permanent green facing. Great amenities. TPS-5 is most premium TPS without clutter of villages and with clean and planned development.

The partnership concept:

20 doctors will form LLP and partner in ownership of the land. The LLP will make development agreement with developer and is entitled for certain number of flats that are distributed amongst partners.

Its open mainly for doctors and their very close friends. Few professionals and NRIs will also be in. Big group of doctors from solapur and pune has already signed in.

This is NOT open offer for investment. We reserve right to select a partner.

Disclaimer : This is NOT an unit sale or sale of flats. Not an offer for investment. This is partnership opportunity to partner in ownership of the land that is going for development very soon. We are at final stage of land acquisition and early stage of permissions. You will be entering into partnership only after understanding benefits and cons of this process. images are for illustration purpose only.
